

Wants and Offers

Active Impact is pleased to provide this forum for people to share their Wants and Offers (as long as they relate to work with disabled children and young people!). Being named on this webpage does not imply that *Active Impact* is recommending any organisation, individual or service.

Active Impact particularly encourages everyone to ensure that they are all clear as to which organisation/individual holds any safety responsibilities and insurance liabilities when equipment, training or skills are being shared.

Seeking volunteers: Whilst an organisation might use this webpage as one way of seeking volunteers for what they are doing, we definitely suggest contacting Cool2Care (kate.chapman@cool2care.co.uk) if you are seeking a volunteer or a paid personal assistant.

Offering yourself as a volunteer: Our webpage should not be used by individual people advertising themselves as available to volunteer. You should approach Cool2Care and/or any individual organisation to whom you would like to offer your services.

Please send your Wants and Offers to james@activeimpact.org.uk using the format below for entering on the website
