1.00-3.00pm
Share your thoughts
and experiences
with us

In the morning: find out about community healthcare in your area, join in workshops, meet our nurses and staff.

In the afternoon: tell us how we can make local healthcare services better for you, your family and your community.

Lunch is provided - book your place now!

Health checks

Healthy living

Looking after older people at home

Healthy kids

Managing diabetes, dementia, long-term conditions
